

This season has been horribly busy at work, so this is yet another recap that will have minimal commentary. With that said, I'd like to try a new method of submitting picks that frees up a bit of time for me. I've put a Google Form link in the body of this email as well below.

https://docs.google.com/forms/d/e/1FAIpQLSdy_WqAQlK_0gPC1xwT2mQgQucHArM9Is8jbVH3l0bVMk-HKw/viewform?usp=sf_link

Please let me know if this works. Also, Hollie has been telling me to do this for like 4 years now, and I don't want to admit she was right...

Anyways, here's where we stand after Week 8!
