

Happy Rivalry Week!

Cupcake Saturday is over, and honestly, there weren't too many results that made me scratch my head. Oregon never really looked threatened by USC despite basically all their players injured, Notre Dame went up 21-0 on Syracuse before taking an offensive snap, Kansas State ran for FOUR HUNDRED SEVENTY TWO yards against Utah and STILL lost, Wisconsin kind of thumped Illinois, and Duke pulled out a near miracle to beat Chapel Hill and the Tarheels.

Rankings by Week

Before I highlight some of the picks this week, I have to let everyone know of a correction in the scoring. I accidentally messed up **Mike G.**'s pick last week. I had him down for Denzel Boston who didn't play when it was supposed to be KC Concepcion who had a pretty solid game. So if you see some weird inconsistencies there, that's the reasoning.

Now, some of the good picks this week. I don't know if you've caught on, but I basically just let everyone know every player that got negative points this week starting with BYU's LJ Martin; the player so good **Chris** has tried to pick him three separate times this year. And I see why! He ran for 222 yards and 2 touchdowns for -244 points! Close behind him this week, three people picked Jeremiyah Love who ran for 171 yards and 3 touchdowns ON EIGHT CARRIES! If you have your calculator handy, that's -242 points. **Brian** (our new leader in the clubhouse), **Spencer**, and **I** picked him this week...BUT unfortunately for Spencer, he also picked Love in Week 10 against Boston College.

Sam hit big with our boy Joe Fagnano of UConn (RIP UConn's chances of keeping Jim Mora – he just accepted a job at Colorado State) and his -143 points. Another big time QB performance this week was Brian picking Byrum Brown against UAB (-136 points).

Dario (our former captain and leader) nailed his Caleb Hawkings pick against Rice, and **Ian**'s defensive pick, Dalton Johnson, got him -50 points. **Jonathan** had two negative plays this week. SMU's Kevin Jennings (an absolute BALLER if you ask me) got -43 points in that shellacking against Louisville and Army's Cale Hellums with -218 points against Tulsa. We also had a pair of Camryn Edwards (-2 points) picks by **Jackson** and Mike G. Lot of UConn love this week.

On the opposite side, we had our 'usual' no picks this week with Chris, **Chapa**, and apparently **Marc** now. We also had a few duplicate picks. Spencer with Jeremiyah Love and Dario picking Jhalyn Shuler. The injury bug also caught someone as **Logan** picked Denzel Boston against UCLA. Tough stuff there.

Man, this is a close race coming down to the last four opportunities. Only 552 points separates first and fourth. Only 106 points separates fifth from eighth – heck we have a literal tie for sixth place right now between Spencer and **Moni**. And even ninth and tenth place (**Hollie** and Ian) are about a week and a half away from first place. This is incredibly exciting! At least to me..
