

Hey guys,

Sorry for the delay here. We've been neck deep in Hand, Foot, and Mouth Disease at our house, so this will be a little shorter than normal. I want to get it out before games (or game) start tonight. Go Bearkats!

Let's see if I can even remember anything from this past weekend...

Virginia with maybe the best field storming I've ever seen (don't worry, Squirrel White wasn't hurt even though it look like he got Mufasa'd pretty bad), TCU blowing it, and Houston with a miracle comeback/overtime win against the winless Oregon State Beavers. And that was just Friday.

Sam Pittman getting canned (now at least he can have his "Ol' cold beer" in peace) after Notre Dame beat the piss out of the pigs, Tennessee/Mississippi State going to overtime, Georgia Tech getting a, let's say, beneficial non-call on a potential offsides to end up completing the comeback, of course, the Penn State/Oregon White out overtime game, Alabama beating Kirby Smart and the Dawgs, Kiffin getting revenge on Whit Weeks for dating his daughter, and Fernando Mendoza ruining a lot of bettors' day with an intentional safety.

Where do we stand with the Stat Game, you ask?

Rank	Player	Score	Pts. From 1st
1	Dario	1,658	0
2	Jacob	2,399	741
3	Mike M.	2,679	1,021
4	Brian	2,747	1,089
5	Spencer	2,776	1,118
6	Mike G.	2,841	1,183
7	Moni	2,849	1,191
8	Logan	3,268	1,610
9	Sam	3,277	1,619
10	Hollie	3,593	1,935
11	Jackson	3,775	2,117
12	Ian	3,808	2,150
13	Jonathan	3,852	2,194
14	Marc	4,192	2,534
15	Chris	5,823	4,165
16	Chapa	6,220	4,562

I just want to give a few shout outs, and honestly guys, not in the positive way. We lost Chapa for the year, and I'm just too lazy to remove him (and too scared to delete him and mess up all my code since I'm still bad at that).

Also, **Ian**, despite picking players from a single game each week, you STILL managed to pick a duplicate receiver! You picked Easton Messer in Week 1 as well!

Chris! You literally JUST picked Ahmad Hardy last week and now you go and do it again! Also, Steve Angeli is injured...
