

What's happening, guys?!

This recap is probably going to be a little shorter than usual. We are heading to North Carolina tomorrow to watch Tulsa vs ECU tomorrow night (get to watch former Fightin' Texas Aggies, Micah Tease and Hunter Erb) and Georgia Tech vs Duke on Saturday in which the winner will be in sole possession of first place in the ACC. Pretty dope if you ask me. But because of that, I had to cram a week's worth of work into three days, and therefore have less time for fun stuff like this. Plus, we've already had three midweek Fun Belt/CUSA games yesterday!

Anyways, last week had a bunch of bangers all day long! Indiana was legitimately the better team against Oregon, Ole Miss looked like doo-doo against Wazzou, did Texas find its stride or did John Mateer come back too soon? Alabama escaped Ahmad Hardy and Missouri while Texas Tech continues to beat the dog piss out of everyone it plays. Kirby called a timeout and then didn't, and Jackson Arnold fumbled (?) the ball on the goal line. Is Arkansas frisky now? USC does a better Michigan imitation than Michigan does. Florida State is now 1-10 in ACC games since it sued the conference, James Franklin was FIRED! Tory beats Texas State in overtime, the Mountain West had some classics between UNLV/Air Force and Wyoming/San Jose State. Just all around great job everyone.

You know who else is doing an all around great job? Our Stat Game Leader, **Dario**!

I want to give a shout out to **Ian** and **Mike M.** who both picked USF Linebacker, Jhalyn Shuler, who had 8 TACKLES, AND INTERCEPTION, AND A SCOOP AND SCORE FOR A TOTAL OF NEGATIVE FOUR HUNDRED POINTS!

I want to shout out **Spencer** who shot up to second place after Danny Scudero's insane game of 180 yards and FOUR TOUCHDOWNS. I do not want to talk about **my** week at all. **Chris** has YET ANOTHER duplicate pick (but honestly it didn't change much because Chris Brazzell only had 1 catch for 5 yards AGAINST ARKANSAS).

Anyways, less than 1,000 points separates first place from 7th place, and less than 1,000 points separates 7th place from 12th place. We're in for a fun one down the stretch!

Enjoy some goofy pictures.
